

## Before you look at the HSS 318 schedule...

Crucial notes about **HSS 318** (Health Science Classroom South) before you request a reservation for use of this facility.

- **Maximum student capacity: 48**
- Because of the instructional technology in this room, we ask that the Instructional Media Specialist for the College assist you during your first use to ensure continued availability and reliability of all of the classroom technology for you and your colleagues.
- If you have a guest speaker or presenter with a USB-based flash drive-based presentation, they must have disabled (or never used) any security software as it may prevent them from successfully loading any documents from the drive. These stations are “locked down” and cannot be altered except by NMSU’s Information & Communications Technology division staff.
- If you are willing to complete training so that you may more successfully use this room, please contact Rex Suba in the College of Health and Social Services ([chssmrc@nmsu.edu](mailto:chssmrc@nmsu.edu); 575-646-4388).
- Please secure the room at the end of your session if there is not a class immediately scheduled and starting after the conclusion of your class/session.
