

NMSU Campus Health Center Remodel Public Meeting

The community is invited to comment on the schematic design presentation of the remodel of the existing Student Health Center designed by Williams Design Group. This project includes new offices and exam rooms for Employee Health Services, new offices for the Assistance Program, new lab and pharmacy, and remodeled and expanded waiting and reception room.

Thursday, March 4, 2010, 4:30 – 6:30 p.m.

Corbett Center second floor lobby

Light refreshments will be served

For information, 646-1016
