## **OTHER PROFESSIONAL EXPERIENCE**

### **Community Development Specialist**

Arizona Department of Commerce, Phoenix, Arizona 5/88-8/90

Developed and reviewed community plans, studies, ordinances, and evaluated programs for municipalities, counties, and American Indian tribal governments. Researched and analyzed findings, and developed policy recommendations on planning and development issues.

Organized and conducted planning conferences, workshops, and training sessions for public officials, professional staff, and residents in rural communities. Topics included: developing community leadership and capacity building, environmental and capital improvements planning, redevelopment, strategic planning, and legal authority. Provided technical support for economic development outreach.

### **Community Planning Consultant**

Howard Needles Tammen and Bergendoff, Phoenix, Arizona 8/87-5/88

Provided municipalities with planning and management assistance. Reviewed development proposals, researched and analyzed issues, and formulated policy recommendations for elected officials. Evaluated organizational needs and developed administrative procedures. Provided intergovernmental liaison and represented municipal clients in public meetings.

### **Assistant Town Manager**

Town of Surprise, Arizona 8/84-7/87

Administered community development functions, planning and zoning, federal grants, and capital improvements projects. Researched and analyzed issues for Town Council, commissions, and boards. Managed preparation of the General Plan. Reviewed and negotiated plans and development agreements. Drafted ordinances for planning, development, and water and sewer utilities. Prepared budgets. Supervised personnel. Developed policies and procedures. Acted as intergovernmental liaison. Developed internship and mentorship programs for female and minority high school students.

## **ADDITIONAL EXPERTISE & CERTIFICATION**

- Bilingual in Spanish.
- Experienced with software packages for statistical analysis, qualitative analysis, spreadsheets, and computer assisted telephone interviewing.
