PETITION TO CHANGE MPH STATUS

I wish to petition for consideration to be switched (check one box):

- From the MPH On-line program to the MPH On-campus program
- From the MPH On-campus program to the MPH On-line program

Departmental approval for change of MPH status will be extremely rare, and will only be considered for those circumstances which were beyond the student's control that developed after the student began the MPH program. Examples of appropriate circumstances include documented major medical conditions, forced relocation out-of-town, and similar circumstances. Other rare exceptions may be considered on a case-by-case basis with appropriate documentation.
