

Steven David Judd Memorial Scholarship

Steven David Judd was born on November 18, 1983 in El Paso. He graduated from Franklin High School with honors in 2002 and was a member of El Paso's Peace Lutheran Church. During high school, Steven received a number of state and local awards in science and computer programming, and he was an active member of the National Honor Society.

Steven had a black belt in Butokan Karate. Besides being enthralled with learning and computers, Steven loved traveling and camping. He had visited all 50 states in addition to many of the providences and states of Canada and Mexico. At the time of his death, Steven was a junior Crimson Scholar at New Mexico State University in Las Cruces majoring in computer science. He was a member of the Delta Chi fraternity and had recently been elected president. Steven also worked at AICS in Las Cruces for three years as a computer programmer developing software which is currently being use in science and education to deliver talks and lectures to parts of the world lacking high speed computing access.

Steven tragically died of alcohol poisoning on November 19, 2004, one day after his 21st birthday. Steven left behind his loving father Steve, mother Karen, and sister Stephanie plus many family and friends who will be better off for knowing him. He is missed by all.

**Steven David Judd Memorial Scholarship
Spring 2010 Application Form**

This scholarship is awarded each year in memory of Steven David Judd, who tragically died of alcohol poisoning on November 19, 2004, following his 21st birthday. Checklist for Steven David Judd Memorial Scholarship

A complete application packet includes:

- _____ **Application form.** Must be completed and signed.
- _____ **Student's statement of contributions.** A one-page, printed, double-spaced description of the applicant's contributions toward prevention of high-risk drinking at NMSU. It should also address how these contributions reflect the applicant's values or philosophy of life.
- _____ **3 letters of recommendation.** These should be from academic departments, employers, or leaders of organizations in which the applicant has actively participated, i.e., individuals with whom she or he has interacted directly in a volunteer or work setting. Letter writers should have direct knowledge of the applicant's work and should address: "How has the NMSU campus been enhanced by this student's contribution toward prevention of high-risk drinking at NMSU?" Letters should not be from relatives.
- _____ **Resume** and/or _____ **Student Involvement Log.** Resume should include information about social, professional, and academic organizations to which the applicant holds membership; projects led and offices held; awards or honors received since being a student at NMSU. Additional information about the Student Involvement Log is at <http://ccst.nmsu.edu/>

Criteria for evaluation and selection of applicants

Student's statement of contributions

Did the applicant describe his or her contributions to alcohol prevention and the reduction of high risk drinking at NMSU?

Leadership contributions to social or professional organizations; volunteer activities; work or internships

Offices held, projects directed or participated in; presentations made at professional meetings, etc. These items should be on the Student Involvement Log. Both breadth and depth will be considered if activities, either on campus or in the Las Cruces community, relate to prevention of high-risk drinking at NMSU.

Letters of recommendation

Did each of the writers focus on the issue of: "How has the NMSU campus been enhanced by this student's contribution toward prevention of high-risk drinking at NMSU?"
